

# Arlington Public Schools' Bridge to Business Directory

A listing of Arlington Chamber of Commerce members interested in working with Arlington Public School (APS) students.

The Education and Workforce Development Committee of the Arlington Chamber of Commerce has developed this directory to take the mystery out of partnering with local businesses and organizations by reaching out to them to find out what resources they can offer Arlington Public School students. This handy directory categorizes companies and organizations--all members of the Arlington Chamber of Commerce--who have stepped forward to offer the following opportunities:

Guest Speakers	page 2
Mentors	page 3
Internship Opportunities	page 3
Job Shadow Opportunities	page 3
Host a Field Trip (bringing students to your place of work)	page 4
Chamber Members Interested in Exploring Ways to Participate	page 4
Alphabetical Listing of All Interested Chamber Members	page 5

When you're in need of a career day speaker or field trip destination, this list provides a direct link to a company point person—your **"bridge to business"** with whom you can explore ideas and find meaningful opportunities for your students. Simply identify yourself as an Arlington Public School staff member and mention the **Bridge to Business Directory**.

All listed programs are subject to the availability of the business or organization.

For questions or feedback, please contact Education & Workforce Development Chair Kim Durand at 703-228-6003 or [kdurand@arlington.k12.va.us](mailto:kdurand@arlington.k12.va.us).

We hope you find this "bridge to local business" helpful. Thank you for shaping the young minds of Arlington—our citizens and future workforce.

Respectfully,

Rich Doud  
President  
Arlington Chamber of Commerce
