

Education Partnerships Self Assessment Tool

Please rate your school, school district, business, institution of higher education or community organization in the following areas.

Your school district or organization:

1. Builds strong connections between schools, businesses, and/or community organizations.

1	2	3	4
rarely	sometimes	regularly	always

2. Recognizes that community organizations and business serve as meaningful mechanisms for fostering academic achievement and educational success.

1	2	3	4
rarely	sometimes	regularly	always

3. Creates policies and programs that will support strategic engagement with schools, businesses and/or community organizations.

1	2	3	4
rarely	sometimes	regularly	always

4. Recognizes that successful partnerships cannot exist without the understanding and support of school Principals and district Superintendents.

1	2	3	4
rarely	sometimes	regularly	always

5. Develops the capacity of staff to work with schools, businesses and/or community partners.

1	2	3	4
rarely	sometimes	regularly	always

6. Links education partnerships to district and/or campus improvement plans.

1	2	3	4
rarely	sometimes	regularly	always

7. Utilizes an evaluation tool to measure return on investment.

1	2	3	4
rarely	sometimes	regularly	always

8. Think about your two most successful partnerships. What are the key characteristics of that partnership? (Try to list at least 3 characteristics for each partnership)

9. Think of your least successful partnership. What are the key characteristics of that partnership? (Try to list at least 3 characteristics)
