

“How much should your education foundation raise each year?”

“We believe that if you can raise \$20 per student, you will have a major impact on young people. If you raise an additional \$20 per student for innovative programs, you can literally change education in your schools.”

Creating Foundations for American Schools

McCormick, Bauer, Ferguson

MACEF Standards and Expectations EDUCATIONAL PHILANTHROPY

The Financial Benchmarks-MACEF

The LEF shall set a financial benchmark per student per year based on the needs of the school district and the community’s ability to give. A minimal range of \$20 to \$40 shall be considered.

Total Projected Revenues of Various sized School Districts

	2008-2009	2010-2011	2012-2013
S/D with ~3000 Students	\$65,000	\$103,000	\$125,000
S/D with ~ 6500 Students	\$112,000	\$199,000	\$249,000
S/D with ~ 10,000 Students	\$175,000	\$250,000	\$350,000
S/D with ~25,000 Students	\$500,000	\$750,000	\$1,000,000
S/D with ~45,000 Students	\$ 900,000	\$1,500,000	\$2,000,000
S/D with >70,000 Students	\$1,500,000	\$2,000,000	\$2,750,000
